

Vermont Amateur Championship Champlain Country Club

Tuesday July 14 – Thursday July 16, 2015

Dear friend and fellow golfer,

Congratulations on qualifying for the 2015 Vermont State Amateur Golf Championship, hosted by Champlain Country Club (CCC) in Swanton, July 14-16.

We are especially excited to host you and other talented Vermont golfers for the 109th Amateur, because this is also CCC's centennial year. So in addition to congratulating you on playing in the Amateur this year, we thank you for making history with us.

CCC is one of the oldest clubs in New England and the U.S. CCC was founded on April 30, 1915, by a group of St. Albans-area railroad executives, bankers, attorneys and other professionals that wanted a golf course in the region. CCC is an 18-hole public course – with tee times available to the public – that also has a restaurant and deck. CCC Superintendent Al Choiniere and his staff have worked meticulously to prepare and maintain our challenging course for this year's Vermont Amateur.

We're ready, and we know you are, too. Our golf professional Mike Swim and Superintendent Al Choiniere have information about our club and surrounding areas that will be included within this package.

We look forward to seeing you for the 2015 Vermont Amateur, and no matter what happens out there this year, remember what Bill Murray said: "When you play with great players, you play better; it just elevates your game."

Sincerely,
Paul Blanchard
Board President
Champlain Country Club
